

County Ag Economic Developer Donna Murray, Market Manager Jennifer Hurd, North Greenbush Building Inspector Michael Miner, County Legislator Brian Zweig and North Greenbush Highway Superintendent Mark Premo visit the home of the Rensselaer County Farmers Market in North Greenbush.

Town and County Cooperate on Improvements for Farmers Market Parking Lot

In preparation for the opening of the Rensselaer County Farmers Market on Thursday June 5th, improvements were made to the Twin Town Little League parking lot. The lot was resurfaced by North Greenbush Highway Department personnel in a cooperative effort between Rensselaer County and the Town of North Greenbush. The resurfacing was made possible by a generous contribution of materials from Norlite Corporation of Cohoes.

The farmers market will be held every Thursday during the summer from 2:30 – 5:30 PM at the Twin Town Little League parking lot on Williams Road.
